

Radius Sliding Missing Data

Ambiguous radius/curved sliding family that must be defined first

Focus: mechanism definition, curved path vs curved top, and preview meaning

#	Missing data	Expected answer type	Topic
1	Does the term mean a curved path, a curved top, or both?	Single choice	Mechanism meaning
2	Is it a sliding family or a separate product definition?	Single choice	Product scope
3	What should the preview show in plan view?	Exact rule	Plan preview
4	What should the preview show in elevation?	Exact rule	Elevation preview
5	What is the exact width rule?	Exact value / range	Size semantics
6	Should this stay blocked until the client defines the meaning?	Yes/No	Release gating

If an answer is uncertain, mark it provisional instead of guessing. Keep responses short and tied to the exact question number.
