

Double Swing Client Questions

Use this sheet to close the remaining double swing gaps with the client. Answers should be short, concrete, and specific.

Expected answer types: exact value, yes/no, one choice, short mapping, or a single photo reference.

#	Question	Expected answer type	Topic
1	Does `widthMm` mean clear opening only, or clear opening plus posts/pillars?	Valore esatto / definizione	Semantica misure
2	Does `heightMm` mean the rectangular gate body only, or body plus arch?	Valore esatto / definizione	Semantica misure
3	Are the published `1800/1900 mm` and `900/1000 mm` bands minimum-to-maximum ranges, or just example presets?	Conferma di range o preset	Semantica misure
